BLUE CHRISTMAS

because the holidays aren't always happy

uccmanhattan.org/christmas

Not all of us are filled with joy, hope, peace and love this Holiday Season... and that is ok. At this service, we will acknowledge that there are times in life when we feel broken, confused and lost. God does not promise us an easy life, but God does promise that we will never walk through any season in life, even the holiday season, alone because God IS with us. Join us for this Blue Christmas Worship where we will also take part in the worldwide Compassionate Friends Candle Lighting to honor children who have died too soon. The service will be led by pastors and laity from First Congregational UCC, Peace Lutheran Church and First UMC.
