Giving Thanks: Genesis Grant Received!

I am pleased to be able to share with you that our congregation has received a Genesis Program Grant from the national setting of the United Church of Christ to fund a new community ministry for children, beginning in September. From ucc.org, “The Genesis Fund, established in 1996 from funds raised through the Make a Difference Campaign, provides seed money for faith-based projects that are innovative or experimental, represent a new initiative in Christian mission, or that may be deemed controversial.” Our congregation has been awarded \$6,750 as seed money for our “Yoga + Donuts + ???” Ministry.

The stated purpose of this ministry is to improve the overall mental, spiritual, and physical health of children in our community by helping them learn to manage emotions, care for and connect to their bodies. We hope to help the children learn *[continued pg. 2]*

skills for living peacefully and cultivate a commitment to non-violence in a violent world. We will do this by offering a free yoga program for children on the first Sunday of each month at 9:30 a.m., beginning in September 2018. Our vision is to have children from the wider community and our own congregation gather at 9:30am on Sunday mornings to share 20-30 minutes of yoga with certified instructors, followed by a rotating activity each week (that's the “???”), and then fellowship over donuts. Rotating activities will include art, music, poetry, and stories focused on uplifting kindness and compassion towards all people.

Children have the right to feel safe in their schools, homes, and public spaces. Unfortunately, this is not the case for many children in our country. We seek to help children cope with an anxious world through the ancient spiritual practices of yoga and meditation. We will also create new relationships and a sense of community among the children and their families. Children who are grounded in spiritual practices, feel secure in their own bodies, and have a healthy community of support will be more likely to resist both the anxiety and violence of the world around them. Through the practice of yoga AND the content during the rotating activities each week, the children will be better equipped to respect and care for themselves and others they encounter. We will share stories of peace, non-violent struggle for justice, and create art together. The children who are a part of this program will help build a world where all people's rights and freedoms are protected and honored.

Additionally, we seek to engage families who may be without a faith community in a space that may become a community of support for them. Even if they never come to our worship services, they can still "be church" to each other through this ministry.

The grant is providing funds for several folks from our congregation to receive training as children's yoga instructors. Andria Anderson, Emily Brueseke, Donna Keyser, Tanya González, Rachel Shivers, and I will all be trained here in Manhattan this summer. We will also be able to purchase some yoga mats and other props as well as the donuts and various supplies for the duration of the program. The grant will also fund our work with marketing firm to create some branding for the ministry and publicize it to the wider community.

If you have any questions about “Yoga + Donuts + ???” please reach out to myself, one of the teachers, or Deane Lehmann, the P.O. of Christian Education. And....if you’re an adult who is looking for a yoga opportunity for yourself, Donna Keyser leads a class on Monday evenings at the church and you can check in with her for details. Also, we’ll be looking for other volunteers to work with the non-yoga portion of the ministry so be sure to reach out to Andria Anderson if you’d like to volunteer with any of our children’s ministries.

Happenings...

First Congregational UCC has been busy supporting the Poor People's Campaign 40 Days of Moral Action which began on May 13. In total, 108

people from the state of Kansas were arrested in Topeka during the six week campaign and hundreds more participated in other roles. Donna Keyser, Jess Girdler, Carol Sevin, and Caela Simmons Wood from

our congregation were among those

arrested. Rachel Shivers played a key role in the campaign as the state's media coordinator. Our congregation provided lunches for one of the six weeks and provided some financial support for Rachel to travel to D.C. as a part of the Kansas Delegation to the national gathering on the Mall. Over 25,000 gathered at the nation's capitol on June 23 for a march. The Kansas Poor People's Campaign is currently soliciting funds to assist with the legal fees for the 108 people who were arrested. If you'd like information about how to donate, please contact the church office.

On June 6, about 25 people from the Manhattan community gathered on the lawn outside of Hale Library for the Read Together in Honor of Hale event that our congregation co-sponsored with ECM. Participants were asked to bring a book and share a passage aloud in small groups. The event also provided space for people touched by the fire to gather with others and share community together.

On Sunday, June 24 our congregation hosted a #KeepFamiliesTogether information sharing event co-hosted by ECM and the Unitarian Universalist Fellowship of Manhattan.

Approximately 40 people from the Manhattan community gathered around this guiding question: how can we advocate for a humane response to immigrants and asylum-seekers, especially children

and families? The gathering was facilitated by Revs. Jonalu Johnstone, Caela Simmons Wood, and Christian Watkins. Members of the Vitality Committee greeted participants, provided refreshments, and took notes. The group compiled a Google Document of information and ideas for action, which can now be accessed on our website at uccmanhattan.org/immigration. The group wanted to meet again in July and the Vitality Committee agreed to convene the group. Watch the bulletin and Friday e-mails for updates.

Mission Statement

The Mission of First Congregational United Church of Christ is

- To love and accept others unconditionally as God loves and accepts us, and by example, to encourage others to do the same.
- To challenge ourselves to grow spiritually through worship, education, nurture, reflection, discussion, fellowship, and outreach.
- To minister to others locally, nationally, and globally with the same fervor as we minister to ourselves, through the sharing of our talents, gifts, and resources.

We hold ourselves accountable before God for this mission.

Ministry of the Decorative Scissors

The Ministry of the Decorative Scissors meets July 12-14. Everyone is welcome. There are no guarantees that you will complete any projects, but you will have fun and meet delightful people. Come for an hour or for the whole time! Feel free to bring a snack to share. For more information, contact Sue Gerth.

Notes from the Vitality Committee

June 20 was World Refugee Day, but for the immigrants at our US borders, every day is a day of fear and tragedy. As people of faith, we follow a God who calls us to welcome the stranger (Matt. 25:35) and to love immigrants as ourselves (Lev. 19:33-34). Our faith's teachings on immigration promote protection of the most vulnerable, family reunification and dignified treatment of immigrants and refugees, all of which should be critical pieces of our immigration system. With the tragic stories of our government's treatment of children and families, we may feel so dismayed and angry that we are immobile. But there is much we can do. You can join local and national efforts to change policy, help families, and support ongoing missions. For example, Immigration Advocates Network (IAN) and partners created www.standwithimmigrants.org to connect volunteers to opportunities and resources. The site has a national volunteer opportunities guide, a page on national volunteer programs and other/local initiatives, basic legal information, and a calendar of trainings. There is an *Interfaith Toolkit to End Family Separation and Keep Families Together* on the UCC Justice and Peace Action Network website (ucctakeaction@ucc.org) that has sample letters and a list of mass actions around the country. Keep up with our First Congregational UCC Facebook page to find out about community efforts. Yes, it's overwhelming. Yes, you can do something to make a difference.

Ready to Become a Member?

On July 15, we will welcome a new group of members who desire to join with us in covenant as the people of First Congregational United Church of Christ. If you are interested in membership and haven't yet had a chance to sit down with Pastor Caela to talk about what membership means and have your questions answered, please contact her (pastor@uccmanhattan.org) to set up an appointment. You can also learn more and fill out a new member information form at www.uccmanhattan.org/become-a-member.

Cobb Corner — Going Green

“Being fully human begins with a careful nurturing attention to the fertile earth. Land care itself is a primary religious obligation.” – I-60, The Green Bible

I just finished an article in Green America called “Dying to be Green” offering suggestions for more natural, environmentally-friendly, less expensive ways to deal with the dead. Green burials are growing in popularity but there are variations.

Not likely to catch on is one we discovered when we lived in India. Near Bombay the Zoroastrians place their dead on a special rooftop after services. About 20 minutes later the buzzards leave only bones behind. As the city has grown, however, neighbors have started complaining about body parts dropped on their rooftops.

In much of the world, the dead are washed, wrapped in a sheet and buried within 24 hours. This simple practice is growing in the U.S., including in Lawrence.

Other local options include donating the body to a medical center for teaching purposes. Another option is the donation of usable parts. Such donations are desperately needed and can be facilitated by having your wish to donate indicated on your driver’s license. One body can often save many lives.

A modified “green” burial where the body is not embalmed but put in a special liner before being placed in the ground is available locally at Sunrise Cemetery. I knew someone who did this. At his funeral we sang the old Chris Biggs song “Send Me to Glory in a Glad Bag.” We left the church with lighter hearts.

Finally, have you noticed that prices for recycled aluminum have gone up 20-30% this month? The Trump administration tariffs on aluminum have increased the costs of many things but recyclers can benefit! Hang on to your old computers, washing machines and other appliances. Most went up about 17% this month.

We may find that our current political environment may curb conspicuous consumption more than any scolding by environmentalists! – *Linda Richter*

P.S. If you are heading to Canada this summer don’t be surprised if more than the weather is cool. Turns out the so-called U.S. trade deficit with Canada that led to our imposing tariffs on our closest ally was a mistake. Actually last year we had an \$8 billion dollar surplus! Oops!

Share ideas for future Cobb columns with Linda Richter.

The Second Helping

Our Second Helping ministry continues to be a wonderful way in which our church extends its mission to the community of Manhattan. We regularly serve 25-35 people each week. Many of you have helped with this mission in a variety of ways, and that is much appreciated!

Currently we are hoping to add some more volunteers to our list of "regulars." We are particularly in need of individuals who would be willing to serve as Head Cook and Church Host. If you are interested in learning more about either of these positions, or volunteering in other ways, please contact Mary Ellen Barkley at office@uccmanhattan.org.

Ministry Opportunities *(July edition)*

Second Helping is in need of additional church hosts. The church host greets the guests, makes sure people have what they need, and generally monitors the progress of the meal. Volunteers will be paired with an experienced host until they feel comfortable with the position. The church hosts often get to know the guests over time, which is a privilege of the host position. If you would like to serve in this important role, please indicate your name and contact information on the line.

Grounds care in spring, summer, and fall requires mowing the church lawn, in addition to the church garden lot adjacent to the alley, prior to Sunday's worship (Thursday, Friday, or Saturday). In the winter it's a little different. Sign up for a whole week – Monday-Sunday – and if it snows, you "win" what is affectionately called the snow lottery. You've got to clear the walkways with the church snow blower.

Worship volunteers have many Sunday morning tasks. They greet at the door, read scripture, host fellowship hour, usher, contribute flowers, and offer the Word for Children. Sign up is easy!
