For Youth 7th-12th Grades (And Also for Youth Leaders)

First Congregational Church of Manhattan 10am - 3pm

Are you a youth or do you know youth who hears the call to step up and stand for peace? Now is the time to answer that call. The world needs us, all of us, to be the peace we want to see in the world, but there is a special need for youth. The StillSpeaking Youth Group of UCC Manhattan will be getting strong with exercises and practices that help us to be peace. This group is for youth of ALL religions, ALL genders, ALL sexual orientations, and ALL races. If you want to join the Peace Movement please contact:
