

First Congregational UCC | *Our Shared Resources in Action*

We serve a hot meal and a sack lunch to 35-40 people each week at Second Helping.

Weekly worship is a multisensory experience for people of all ages.

Our newly renovated space helps us offer a warm welcome to the community.

We care for our animals at Worship in the Park.

We debuted our new t-shirts at Purple Power Play, where we invited over 1,500 people to share our life.

Lifelong Christian learning is nurtured in Sunday School classes for all ages.

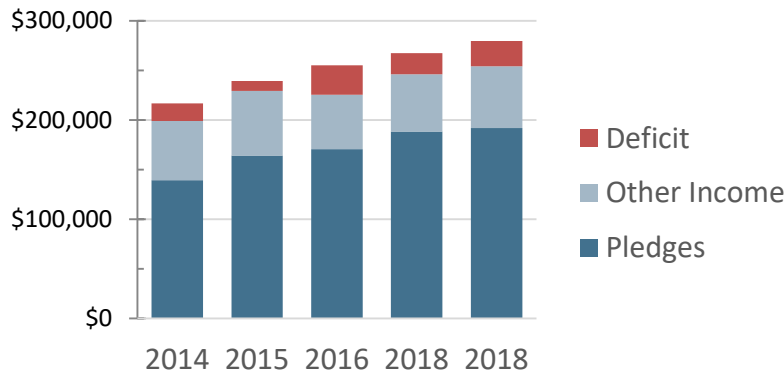

Figures based on 2018 budget. The 2019 budget is still in formation. More detailed information is available in the office upon request.

We are a congregation that is growing in generosity, energy, and commitment.

The number of pledging units in our congregation has increased from 45 to 63 since 2014 (that's 29%).

Our vibrant congregation is entirely self-funded.

We rely on income from our invested funds to help meet our expenses...but even with the help of these invested funds the difference between our estimated income and expenses for 2018 is a deficit of over \$25,000.

A small increase in your gift each week can make a big impact in 2019.

WHAT SHALL WE BRING?

! The total amount pledged to our church annually has increased almost 38% since 2014. **Wow!**
