SUNDAY SCHOOL FOR ALL AGES AT 9:30AM

Kids ages 3 through 6th grade

First Sundays: Shining Light Yoga MHK

At these playful gatherings we will stretch, imagine, relax, breathe, and grow together (plus, enjoy a yummy snack and new friendships). Yoga helps kids strengthen their bodies and minds as they develop concentration, increase flexibility, and learn help relaxation techniques. As we practice fun and challenging poses in a supportive atmosphere kids will learn self-respect and respect for others. Visualization and breathing exercises will help kids develop concentration and cope with everyday stressors.

Second and Third Sundays: Deep Blue Bible Study

Bible studies aren't just for adults! Kids aged 3 through 6th grade are invited to join us as we dive into the Bible with the Deep Blue crew. Videos, music, crafts, and active play will be on the agenda as we learn more about the Bible while having a blast.

Fourth Sundays: The Word in Music

Sing, sing, sing! Kids will sing songs, play musical instruments, move and groove. During worship at 10:45, the kids will share one of their songs with the congregation.

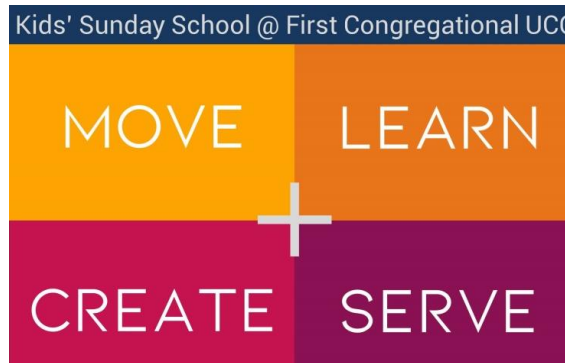

Fifth Sundays: Serving Hands

We'll put little hands to work in a hands-on service project here in the building. Organizing items for the Blessing Box....making cookies for Second Helping....what ideas do you have? We'd love to hear them!

Got other people in your family?

Sunday School for adults happens at the same time and you can find class descriptions at uccmanhattan.org/adult-education. Teens are welcome in these adult classes. Children age three and younger are welcome in our fully-staffed nursery.

Kids' Sunday School @ First Congregational UCC

WORSHIP AT 10:45AM

Children of all ages are always welcome to stay in the sanctuary with their caregivers during the worship. We offer a **Pray Ground** in the back of our sanctuary - a developmentally-appropriate space for children and their caregivers to worship with us.

Nursery care is also available for infants and toddlers, if that works better for your family.

KIDS WORSHIP & SACRED SPACE

Kids aged 3 through 1st grade may choose to participate in **Kids Worship**, which offers a parallel worship experience following the "Word For Children" moment during worship. Kids in 2nd through 6th grade are invited to be a part of **Sacred Space** in the church balcony – an opportunity for kids to learn how to follow along and participate in the worship service alongside their peers.
